WHAT'S INCLUDED

Guidance and support, *in one place.*

Healthyr Wellness Hub

A digital wellness hub that helps members turn health goals into practical everyday actions.

- Personalized health and wellness guidance
- Nutrition and fitness support
- Health assessments and progress tracking
- Medication reminders and adherence support
- Virtual vitals and body-composition tools, when enabled
- SCOUT smart companion for next-step guidance

GLP-1 & Weight Management

A modern weight-management membership supporting eligible members pursuing sustainable goals.

- Weight-management resources and support
- Access to GLP-1 medication options when clinically appropriate
- Program eligibility and medication availability are subject to terms
- Medication pricing may vary and is separate unless stated by the program

Designed to help you *stay engaged.*

Digital wellness guidance and weight-management support come together so you can understand your goals, track progress and find practical next steps between healthcare visits.

- Build healthier routines with personalized guidance
- Track progress and stay connected to your goals
- One member-focused experience for your weight-management journey

Package 3 is a wellness and weight-management membership. Clinical eligibility, available medications, medication pricing and specific Healthyr modules are subject to program terms and configuration.
